REQUEST FOR CERTIFICATE OF CORRECTION

Attention: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The patentee respectfully requests that the U.S. Patent and Trademark Office issue a Certificate of Correction for the above-identified U.S. patent, correcting the patent as noted in the "Certificate of Correction" Form PTO/SB/44.

This error in the patent relates to the Applicants' unintentional failure to acknowledge certain U.S. Government rights in the patent, which rights arise because the invention was made, at least in part, with U.S. Government support. This proposed correction is of a clerical nature and is minor in character. The correction relates solely to acknowledging U.S. Government rights in the subject matter of the invention. In fact, the scope and meaning of the patent are unaffected by the correction. Thus, the correction does not involve changes in the patent that would constitute new matter or would require reexamination.
